

Safety Pledge

At Air Liquide Australia, we strongly believe that Safety is the top priority.

We work every day with a firm commitment to Safety in mind. This commitment begins with our 12 Life Saving Rules.

We sign this Pledge to recommit ourselves to working safely every day. Signing this pledge and agreeing to abide by the 12 Life Saving Rules is our engagement to moving towards a zero-accident workplace.

By taking this Pledge, I will:

- **DEMONSTRATE** my commitment to safety as a top priority and one of the most important aspects of my work.
- **NEVER COMPROMISE** my own safety or the safety of others to get the job done.
- **ACTIVELY LOOK** for hazards and near-misses, promptly report them, and be ready to STOP any unsafe activity.
- **BE A ROLE MODEL** for my co-workers.
- **PERFORM** my job with the understanding that working safely is one of the requirements of my employment with Air Liquide.

I have read and understood the above, and commit to it during my employment with Air Liquide Australia Ltd.
